

OVATION PASSPORT CHECKLIST

An Ovation Passport costs \$68 and is good for four tickets to use as you would like on selected performances. For example, you may choose one ticket to four different shows, or two tickets to two different shows. You can purchase tickets through the Passport system at a savings for most of our concerts. **The Ovation Passport is good for the Ovation seating of Jesse Auditorium, rows Q through W on the main floor or rows G through K in the balcony.** If you know which shows that you want to use your Passports for, please indicate those now on the Passport Order form below. **The handling fee is included in the Passport price.**

Please note that not every concert is available on the Passport. Specify the number of tickets desired for each performance, or if you prefer, indicate the number of tickets you'd like in the form of Passport vouchers, which may be redeemed at a later date. The total number of tickets requested should be a multiple of four. Passport vouchers may be redeemed through the mail, at the Concert Series Box Office at 409 Jesse Hall, or even the night of the concert if tickets are still available.
